TOP SECRET

2 July 1984

Weekly Report

Directorate of Administration

- 25X1
- OP recently calculated that annuitants under CIARDS currently are averaging 28.42 years of federal service at the time of retirement with an average of 7.75 years overseas Agency service.

25X1

- We began van transportation on 2 July for employees who park in West Parking Lot.
- Government-provided parking for Agency employees at Key, Ames, and Chamber of Commerce Buildings went into effect 2 July.

Directorate of Operations - No report.

Directorate of Science and Technology

Directorate of Intelligence

- 25X1
- ACIS expects to complete this week a study on what safeguards might be useful to ASAT arms control.
  - Chairman/TTIC briefed Secretary of State Shultz and Commerce Secretary Baldrige on the results of a Community study chaired by OSWR's Space Systems Division on the implications of the sale of a Landsat Ground Station to Romania. Principal questions centered on controversies surrounding recent reports [redacted] and the potential technical gain to the Soviets if technology is passed to them.
  - OGI analyst [redacted] briefed the Vice President on 26 June on the status of the [redacted] case involving the Papal assassination attempt and later briefed Senator Arlen Specter on the same subject.
  - OSWR and SOVA briefed Under Secretary Ikle on Soviet statements about space arms control and our ability to monitor an ASAT arms control agreement.
- 25X1

TOP SECRET

TOP SECRET

- SOVA briefed Senator Baker on Soviet leadership issues and U.S.-Soviet relations.

#### National Intelligence Council

- NIO/Counterterrorism (David Whipple) represented the DCI at the 24-26 June Jonathan Institute Conference on International Terrorism.
- NIO/Warning (David McManis) met with SIGINT National Intelligence Officers at NSA to discuss preparations for the NIC Strategic Assessment and requested support in collecting information and identifying critical strategic issues. Similar meetings are planned for officers at DIA and INR.

25X1

- The following estimate was presented at NFIB coordination meeting: Terms of Reference and Concept Paper for SNIE 11-1/7-84: Prospects for Transfer of Soviet Space Technology to the Soviet Union.

- NIO/USSR-EE (Fritz Ermarth) prepared Terms of Reference and Concept Paper for a fast-track SNIE 11-9-84: Soviet Policy Toward the U.S. in the Short-Term, at the request of the DCI.

25X1

- NIO at Large (Hal Ford) and Acting NIO/LA [redacted] met with Mr. Edwin Powers, Staff Assistant to Representative Clarence Long, concerning the Congressman's interest in hearings by his Foreign Operations Subcommittee of the House Appropriations Committee featuring [redacted] views on Nicaraguan support of insurgents in El Salvador; and met with Ambassador Diana Dougan to discuss CIA support for the State Department's managerial role on questions related to international broadcasting.

25X1

- NIO/Warning (David McManis) attended a briefing by DIA/DB on Soviet exercise activity, previously given to D/NSA in preparation for discussions with C/JCS; hosted representatives [redacted] at DIA and at CIA for discussions of indicator methodology and improved tasking; participated with DDI officers in discussions with FEMA, DIA, and O/JCS on mobilization scenarios and their implications; and met with warning expert [redacted] to discuss generic problems of warning and research.

Administration Hospital in West Virginia scheduled for closing. OMS will send representatives to inspect the excess property when it becomes available.

f. OP recently calculated that annuitants under CIARDS currently are averaging 28.42 years of federal service at the time of retirement with an average of 7.75 years overseas Agency service.

i. OS conducted an Industrial Security Seminar at Headquarters during the period 25 - 27 June. Thirty-two contractor security representatives were in attendance at the seminar which provided an excellent forum to exchange views regarding items of mutual interest in the area of Agency security policy and support in the industrial arena.

j. OL has made arrangements with GSA to restore the Federal Highway Administration landscaping inadvertently damaged during construction of the temporary parking lot. Cost of the restoration is estimated to be \$12,500, and work is scheduled to begin the first week of July.

1. Excellence:

(1) We are beginning van transportation on 2 July for employees who park in West Parking Lot. This transportation will be on a continuous basis between West Parking Lot and the Headquarters Building main entrance and initially will operate from 0730 to 1730 daily.

(2) Government-provided parking for Agency employees at Key, Ames, and Chamber of Commerce Buildings goes into effect 2 July.

SECRET

SECRET

Security enhancement procedures are expected to be completed in 30 to 60 days.

3. Significant activities anticipated during the coming week:

None.
